	end of or during the probationary period unless during such period the Hospital has certified that their service is satisfactory
<b>Mandatory Training and Health and Safety at Work Act</b>	The post holder is obliged to fulfil mandatory training requirements in line with this post. All staff must comply with all Hospital Health & Safety Policies and Procedures. Staff must be aware of the responsibilities placed on them under the Health and Safety at Work Act (2005), and to ensure that agreed safety procedures are carried out to maintain a safe environment for employees, patients and visitors.
<b>Children First Act</b>	Schedule 2 of the Children First Act 2015 specifies that this post falls under the classes of persons as “Mandated Persons” for the purpose of the Act. As a mandated person, under the legislation you are required to report any knowledge, belief or reasonable suspicion that a child has been harmed, is being harmed, or is at risk of being harmed. It is a requirement of this post that you complete the HSE Land training in relation to Children First and any other training the Hospital deems appropriate in this regard
<b>GDPR</b>	The post holder is obliged to adhere to General Data Protection Regulations 2018. All staff who have access to patients’ care records have a responsibility to ensure that these are maintained efficiently and that confidentiality is protected in line with the Hospital’s Confidentiality Policy. Staff are also subject to this obligation both on an implied basis and also on the basis that, on accepting their job description, they agree to maintain both patient/client and staff confidentiality. In addition, all health professionals are advised to compile records on the assumption that they are accessible to patients in line with FOI and GDPR 2018. Hospital policies and procedures at all times. Details of the Hospital’s policies are available on the intranet.
<b>Infection Prevention and Control</b>	The post holder is obliged to adhere to Hospital policies and procedures relating to Hand Hygiene and Infection Prevention and Control and to assist in undertaking hand hygiene audits as required.
<b>Professional Registration</b>	If you are employed in an area of work which requires membership of a professional body in order to practice (e.g. Nursing & Midwifery Board of Ireland), it is a condition precedent of your employment to maintain membership of such professional body. It is also your responsibility to comply with the relevant body’s code of practice. You are required to advise the Hospital if your professional body in any way limits or changes the terms of your registration. Failure to remain registered or to comply with the relevant code of practice may result in temporary downgrading, suspension from duty and/or disciplinary action, which may result in the termination of your employment.
<b>Termination of Employment</b>	Two months’ notice in writing, on either side, except in circumstances where the Hospital authority is of the opinion that the holder of the office has failed to perform satisfactorily the duties of his/her office or has misconducted himself/herself in relation to such office or is otherwise unfit to hold office.  The mandatory retirement age for new entrant staff in employment in the public service after 1 <sup>st</sup> January 2013 is 70 years.

	All other appointees in accordance with HR Circular 029/2018 who have not already reached their retirement age before 26 <sup>th</sup> December 2018 will have the choice to work beyond the age of 65 to age 70 if they so choose
<b>Protection of Persons Reporting Child Abuse Act 1998</b>	This post is one of those designated in accordance with Section 2 of the Protection of Persons Reporting Child Abuse Act, 1998. You will remain a designated officer for the duration of your appointment in this post or for the duration of your appointment to such other post as is included in the categories specified in the Ministerial Direction. Such officers will, on receiving a report of child abuse, formally notify the Senior Social Worker in the community care area in which the child is living.
