Applications are invited from suitably qualified candidates for the following post:

Clinical Nurse Manager 2 - Outpatients Permanent Whole-time and Pensionable

St. John's Hospital is a Voluntary, Model 2S acute general hospital, a member of the UL Hospitals Group and an academic partner of the University of Limerick. We provide a wide range of clinical services including general and specialist medicine and surgery and an Urgent Care Centre incorporating an Injuries Unit and MAU

We are recognised locally and nationally for providing high quality, innovative healthcare. We are committed to providing services that meet the needs of the people who use them, and we actively encourage involvement from local people and our local community who can help make a difference to the care we provide.

This is an exciting opportunity to work for us as we embark on our new five-year hospital strategy.

You will be an experienced and competent registered nurse with a full range of relevant skills and experience to work as a Clinical Nurse Manager II in Outpatients and a proven ability to deliver improved experience and outcomes for patients.

Application forms and full particulars are available on the St John's Hospital website at www.stjohnshospital.ie

Application by email only on official application form to recruitment@stjohnshospital.ie

We encourage you to find out more about the role and the team.
